McCarthy DeMere, M.D., Memphis, Tennessee "Carcinogenicity of Implanted Polymers"

There have been many requests for such a Panel. Presentations will be informal with floor discussion encouraged.

11:00- 1:00 P.M. **PROBLEM PANEL**

Neal Owens, M.D., New Orleans, La., **Kenneth L. Pickrell, M.D.**, Durham, North Carolina, **Richard W. Vincent, M.D.**, New Orleans, La., have kindly consented to share their knowledge with us in an informal and most helpful setting. We can give the Board Examinations in reverse. Everyone bring a difficult or interesting case or cases, in slide form. These will be projected and the Panel asked to solve the problem. Floor comments are invited.

There was tremendous demand for this and it should be worth several Study Sessions. Please bring your problem cases in photograph form. We will try to cover them all.

FREE AFTERNOON

Fishing should be excellent. Golf courses are nearby.

Your officers hope for a large attendance and a successful meeting.
